Specialised International Health Insurance that protects employees and their families when they need it most

Unisure addresses the challenges faced by companies in the resources sector operating in Africa, by providing sought-after International Health Insurance solutions with trusted partners.

This plan is for companies located in the UK, Kenya, Uganda, Zambia and South Africa with:

Three or more employees

80% of employees based in Africa

Medical history disregarded

Unisure's Bupa Global Mining and Energy Forum Health Insurance Plan is designed for companies in the mining and energy sectors who require comprehensive regional and international medical care, including expertise in emergency medical evacuations across the continent.

Five reasons to choose Unisure's Bupa Global Mining and Energy Forum Health Insurance Plan

1

Expert knowledge of the mining, oil, gas, energy, petrochemical and supporting industries

2

24/7 worldwide support by a multilingual team of dedicated health professionals

3

Access to a full-time staff of general practitioners, clinical officers and nurses

4

Full-time International Emergency and Medical Assistance teams

5

Different areas of cover to suit a company's needs – Africa, India and worldwide cover

The cover indicated in this brochure is just a basic outline our products and does not include full details about your cover.
